LYNDALE AVENUE VISION

This open house is the first of three community meetings that Lyndale Avenue South Renewal – Creek to Crosstown (LASR-CC), will host to receive community input to shape a new vision for Lyndale Avenue.

The City and LASR-CC, which represents the Kenny, Lynnhurst, Tangletown, and Windom neighborhoods, are working with the Hoisington Koegler Group Inc., a professional land use planning firm, to develop a community-based vision that reflects the values of the four neighborhoods that share Lyndale Avenue, south of the Creek.

We need your input to develop the best vision for this vital corridor. Please join us at any or all of these meetings which will be the basis of the vision effort.
