Background/Supporting Information

On October 24, 2008 the City Council recommended that the proper City officers be authorized to amend the current contract with the Council on Crime and Justice to increase the amount of the contract to $305,351 and to extend the period of performance to December 31, 2009. There was an error in the dollar amount presented in the initial request for Council action on this item. Therefore the City Attorney's Office is requesting to increase the contract amount by an additional $9,000, which results in an increase in the contract amount to $314,351 for the period January 1, 2009 to December 31, 2009, and an increase in the total contract amount of $1,158,642.
