Don't forget to keep your **sidewalks shoveled!**

Please remember to shovel your sidewalks. Children walking to school, your neighbors walking to work, your postal carrier, and especially folks who have a difficult time getting around even without ice and snow rely on you to keep your sidewalks safe.

And it's the law. **City ordinances** require that **commercial properties clear the walks within 4 daylight hours** after the snow stops falling; **residential properties have 24 hours** to shovel the walks. Failure to shovel your walk could lead to a ticket *plus* the cost of City crews shoveling it.

For more information, please call
Sidewalk Division 612-673-2420

And don't forget your garbage and recycling containers.

Shovel a 36-inch-wide path from your garbage cart and recycling bin to the street or alley.

City ordinances require this path be cleared for **garbage carts and recycling bins within 48 hours** after the snow stops falling. If City crews have to clear them, a fee of **$30 per cart or bin** will be added to your utility bill.
