Re: Triangle Park/MNDot Partnership Projects

We, the officers and directors of the Friends of Triangle Park, with regard to projects known as Landscape Partnerships, State Trunk Highway 65, hereby agree that the Friends of Triangle Park, a non-profit organization, together with our partners, will assume full responsibility for the preparation, inspection, and maintenance for the above referenced landscape projects. This agreement will be in place during the periods referred to in the documents entitled "Application" previously submitted to the City Council.

The Friends of Triangle Park acknowledge that the City is not responsible for performing any new functions with regard to these projects which are not now the services the City is currently providing to the Park, including, but not limited to, maintenance and repair of the underground irrigation system and provision of water to that system, lawn mowing, maintenance of lighting in the park, and trash pickup, unless otherwise agreed between the Friends of Triangle Park and the City of Minneapolis.

We also acknowledge that, with regard to these aforesaid projects, the City is only acting as the sponsoring unit of government. Primary contact person; Jerry Dustrud, Secretary; jerrydustrud@gmail.com

Yours truly,
FRIENDS OF TRIANGLE PARK
