RE: PID 16-029-24-14-0022

I'm writing this letter because I can not attend the public hearing scheduled Tuesday, October 10, 2006 @ 9:45 due to my work schedule. The purpose this letter also serve is my objection to the purposed assessments.

I received a bill from The city of Minneapolis in the amount of $648.99 The bill was for the repair of my sidewalk.

First of all, I believe there was nothing wrong with the sidewalk in front of my house, as it is a new construction home which was built in 2002 therefore, the sidewalk was newly built as well. I don't understand nor agree why the city would decide that a newly built home and sidewalk will be in need of any repairs. Afterall, the city doesn't repair a street within a certain timeframe if it was recently built.

Secondly, I can not afford to pay $648.99 I am a single (widowed) mom, and I do not have any other income besides my employment wages. My wages barely pay my current monthly bills.

I will like to be exempt from payment or have a reduction to the bill. If further investigation is required to actually determine there was nothing

wrong with the sidewalk in front of my house, I will be happy to assist with the investigation any way I can.

Please let me know if you will consider me for exemption or a reduction for the bill. Again, due to my work schedule, I'm unable to attend a court hearing. Thank you.

Please feel free to contact me if you have any questions. Your time and assistance is greatly appreciated.

Thank you!

Sincerely,

Jeanette Warner
