Re: L158 50042 ORIGINAL TURKEY
for FOOD MOBILE VENDOR

1. Trailer jacks must be placed on moving pads and planks as needed to protect the sidewalk surface.

2. Surface under the trailer must be protected by an impervious barrier (i.e. tarp) to protect the sidewalk surface from slippery or corrosive materials.

3. On Nicollet Mall, vendors may not set up or remove their vehicles between the hours of 7 a.m. to 9 a.m. and 4 p.m. to 5:30 p.m., Monday thru Friday.

4. Vendors on Nicollet Mall are limited to vehicles or trailers that do not exceed 3,000 pounds (unloaded)

5. Farmer's Market has priority on location site. Vendors on Nicollet Mall must coordinate with Farmer's Market on site location or not operate.

6. There may be other sidewalk vendor licenses granted near your site. When setting up you are required to coordinate with other vendors to ensure proper clearances for pedestrian traffic.

I have read the conditions listed above. I agree with the conditions and understand that failure on our part, or on the part of my company or employees to adhere to these conditions, may be cause for future adverse license action, including the suspension, revocation, or denial of the renewal of the L158 50042 ORIGINAL TURKEY license. These conditions will be effective for the duration the license operates at these premises, unless otherwise amended by the City Council of Minneapolis.

Based upon the foregoing, this agreement is freely & voluntarily entered into in good faith:
