You may have already received your **2010 census questionnaire** in the mail.

If not, ***it is on the way.***

Minneapolis 2010 census: *It's in our hands*

The census is a portrait of America. Every 10 years, the U.S. Census Bureau counts every resident in the United States. An accurate count of Minneapolis residents is vital to the city's future.

United States® Census 2010 IT'S IN OUR HANDS

The 2010 census *will affect our community.*

Census data determines which communities receive more than $400 billion in federal funds each year for things such as:

- Hospitals
- Job training centers
- Schools
- Senior centers
- Bridges, tunnels and other public works projects
- Emergency services

The data collected by the census also help determine the state's number of seats in the U.S. House of Representatives. This year Minnesota is in danger of losing one of these seats.

IT'S IN **OUR HANDS**

Fill out your census form.
Mail it back.

Beginning in mid-March, census forms are being mailed to every home in Minneapolis. When you receive yours, just answer the 10 short questions and then mail the form back in the postage-paid envelope provided. If you don't mail the form back, you may receive a visit from a census taker, who will ask you the questions from the form. If you have questions about the form, call 311 and an operator will direct you to someone who can help.

It's safe, simple and secure.

The census promises to protect the confidentiality of your information. Title 13 of the U.S. Code protects the confidentiality of all your information. Violating this law is a crime with severe penalties.
