LYNDALE AVENUE VISION

This is the second of three community meetings that Lyndale Avenue South Renewal – Creek to Crosstown (LASR-CC), will host to receive community input to shape a new vision for Lyndale Avenue.

The City of Minneapolis and LASR-CC, which represents the Kenny, Lynnhurst, Tangletown, and Windom neighborhoods, are working with the Hoisington Koegler Group Inc., a professional land use planning firm, to develop a community-based vision that reflects the values of the four neighborhoods that share Lyndale Avenue, south of Minnehaha Creek.

We need your input to develop the best vision for this vital corridor. Please join us at any or all of these meetings which are the basis of the vision effort.
