Supporting Information

The Police Department has previously contracted for Driver Facility Rental Services with the Dakota County Technical College under the city's Standard Agreement. The annual rental now exceeds $50,000 and requires the Department to release an RFP for other potential vendors. These services are needed for the Emergency Response Pursuit training for the Minneapolis Police Department. These services are needed for Police Department sworn personnel, MPD recruits, MPD Community Service Officers, MPD Reserves, and additional personnel assigned by police administration.
