46th Street Project Update

July 31 to August 7

No. 4

31 July 2013

Please follow all safety directions from construction personnel.

All dates and construction activities are weather dependent.

This update is part of a series of communications to inform stakeholders about the 46th Street paving project.

FOR MORE INFORMATION CONTACT:
Tracy Lindgren, Project Manager, City of Minneapolis, 612. 290.5898
Or visit the project website:
http://www.ci.minneapolis.mn.us/public-works

Traffic Adjustments:

1. Reconstruction activities began on Monday, July 22.
2. Work will be done under total street closure. Local access with be maintained to driveways and for deliveries.
3. The Bryant Ave intersection will be closed during utility improvement work.
4. Bryant Ave bus traffic will be rerouted during this work.
5. North-south traffic on Lyndale and Dupont Aves So will continue uninterrupted during this work.
6. Local traffic will be allowed access and parking before 7:00 am and after 4:30 pm unless indicated otherwise.
7. Property owners will be contacted to assist with access during construction.

Construction Activities:

1. Utility work including water main cleaning and lining and sanitary sewer improvements began last week.
2. Utility work for water service will have access holes in the street at the intersections of Colfax, Bryant, Aldrich and Lyndale Aves. Water service rehabilitation requires flushing. During flushing a momentary reduction or loss of water pressure may occur. Please flush your house water lines if discoloration occurs.
3. Sanitary sewer work is proceeding at Bryant Ave.
4. Street removal operations began July 22 at Dupont Ave – the west end of the project.
5. Earthwork corrections and storm sewer catch basin installation began immediately after pavement removal commenced.
