Third Ward CARE Committee News Riveting

Net Tightens on Crime through CARE Committee Approach

Officer Rich Jackson, Problem Properties Unit had attendees glued to their seats with news of 22 copper theft arrests and declining thefts; decreasing problem properties due in part to increased monitoring and documentation procedures. The unit continues to put pressure on violent crime, gang activity, livability crimes, convenience store problems and patterned crime sprees.
Lt. Sauro, 4th Precinct described the enthusiasm of new recruits merging with the wisdom of the experienced officers is bringing new energy to combating crime on all fronts. Shotspotter technology in its first weeks recorded activity in both North and Northeast Minneapolis ending with 2 arrests. Cameras coming in July will compound the effectiveness of this technology. A 10% drop in violent crime reflects the hard work of the police, citizens and the CARE Committee.

Craig Voss, Hennepin County Corrections will focus staff on problem property addresses to see if they correlate to any of their clients on probation.
Donna Gillitzer, Hennepin County Juvenile Probations is working on a test project involving sentenced N.E. youth to do community service in N.E. to defray victim restitution costs.
Dusty Murphy, City Attorney announced that Community Impact Statements can now be filed online.
Tom Deegan, Janine Atchison, Angie Hugen, Regulatory Services reviewed thirteen properties at the April CARE meeting highlighting effective actions taken such as new site plans through restoration agreements, demolition proceedings, plus citations dealing with clean-up work and unlawful occupancy. This is real progress taking place *every* month thanks to their efforts!

The next CARE Committee meeting will be on May 16th, 7 pm at St. Lawrence /Newman Center located at 1201 SE 5th St. Your participation is welcomed.
