# Andy's Garage
# Grand Re-Opening

*The classic American diner is back at Midtown Global Market*

WHAT: Andy's Garage is pleased to announce its grand re-opening party at the Midtown Global Market on Friday, October 3, 2008, in conjunction with MGM's Friday Family Fun Night.

Go back in time at Andy's Garage with award-winning hamburgers, fries, malts and more.

The setting will take you back to a simpler time of sock hops and poodle skirts. Don't miss a beautiful display of classic cars from the GSTA lining the east side of the Market.

A family-friendly concert will also take place from 5:30 p.m. to 7:30 p.m.

New owner Frank Chase purchased Andy's Garage because he saw it "as good opportunity to bring the classic diner back to life and uphold its good name."

Everyone will enjoy a special time and celebration. Andy's Garage is offering 15% off any menu item and 50% off Andy's Kids Cruiser Meals.

WHEN: Friday, October 3
Noon-8 p.m.
