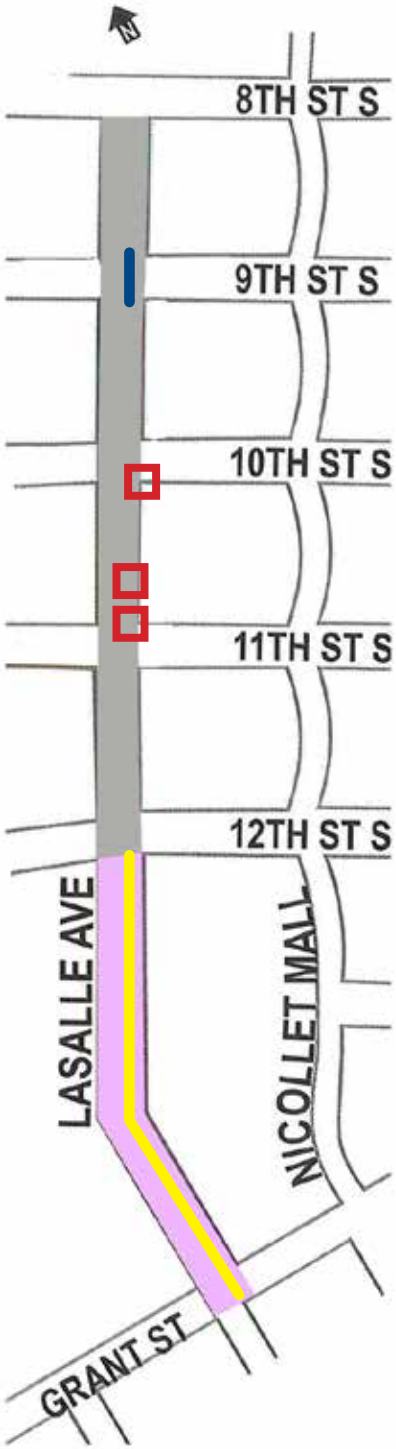
Xcel rebuilding manhole. Single lane closure on north side of 11th Street and on east side of Lasalle Avenue.

Xcel rebuilding manhole (2nd crew). Lane closures on south side of 10th Street and on east side of Lasalle Avenue.

Xcel rebuilding manhole (3rd crew). Lane closure on east side of Lasalle Avenue.

CenterPoint Energy installing new main from Grant Street to 12 Street. Lane closures on east side of Lasalle Avenue with 2-way traffic maintained on west side. Lane closures on north side of Grant Street with 2-way traffic maintained.



Underground utility work continues to proceed at various locations as shown on the attached diagram.

In some locations the work is intermittent and not all protected areas will have work activity every day.

We will provide weekly updates of project activity each Friday with more specific information as plans are completed. We thank you in advance for your patience and cooperation.

We thank you for your patience and cooperation.
