RE: 2005 Calendar for Placing a Proposed Charter Amendment on the November 8, 2005 ballot, 2005 Voter Information and Election Calendar

Dear Chair Bernstein;

Attached is a copy of the 2005 calendar for placing a Charter question on the November 8, 2005 ballot. As you know, proposed charter amendments must be submitted at least 12 weeks before the general election. This provision under M.S. 410.12 subdivision 1 includes proposals received through the citizen petition process, Charter Commission and City Council.

I am also providing a 2005 Voter Information and Election Calendar for the Commissioners reference.

I will in attendance at the March 2, 2005 Charter Commission meeting to answer any questions the Commissioners may have about this timeline or the 2005 election process.

Sincerely,

Susanne Griffin
Director
