# Sidewalk Snow and Ice

- ▶ Goal is safe and passable sidewalks
- ▶ Breaking down the sidewalk snow and ice process
  - Identification
  - Enforcement
  - Abatement

---

## ▶ Identification

- Changes and improvements

- Emphasis on 311 as the reporting tool
  - Integrating snow shoveling with all winter related communications from the city
  - Using 311 as a tool to allow more city inspectors to report sidewalks in violation of ordinance

---

## ▶ Enforcement

- Flexible workforce that can provide additional resources as needed for inspections
- Shorter timelines for reinspection
- Fines
  - Postpone consideration of administrative fines until later in 2012.
  - Continue to use currently authorized \$105 Hennepin County citation for chronic offenders.
