

\$10 rain garden workshops

You can help keep our lakes, rivers and streams clean by starting a rain garden using native plants. These rain garden workshops offer a do-it-yourself approach combined with expert help to put rain garden planting in the hands of gardeners and non-gardeners alike.

Workshops

- April 17** Waite Park
- April 19** Powderhorn Park
- April 25** Lynnhurst Park
- April 28** North Regional Library
(This workshop is free.)
- May 12** Longfellow Park
- June 7** Lake Nokomis Lutheran Church

For more information and to register, go to metroblooms.org or call 651-698-1390. Space is limited.

Sponsored by the City of Minneapolis and Minnehaha Creek Watershed District . Minneapolis sponsors these workshops as part of its eco-focused goal of pristine lakes and streams.
