Subject: Redistricting Question

Hello Ms. Menshek,

Council Member Cam Gordon's Aid, Robin Garwood, asked me to write you with regard to the proposal from the Citizens Committee for Fair Redistricting. He pointed out to me in the email below that the West Bank Community Coalition has been listed as a supporter of the proposal.

You should know that the WBCC has not discussed a redistricting proposal in any of our monthly board meetings since I was hired in August of last year. I am not aware of any position taken by any WBCC committee or by individual board members on this matter, although I have emailed our executive committee to inquire if the board took a position prior to August 2011.

Please let me know if you have any questions.

Thanks,

Michael Schmitz
Executive Director, West Bank Community Coalition
