TPW #7. A)

Amend the Bottineau Transitway Draft Environmental Impact Statement, as follows:

- Keep the D2 alignment as a viable option for the Bottineau LRT line
 - With the D1 line, have streetcars running down West Broadway, from Golden Valley to Downtown Minneapolis
 - Have the West Broadway Streetcar line be the priority 1 line for the City of Minneapolis.
- i. Direct staff to make necessary changes to the incorporate these projects.
