Your redistricting question was forwarded to me, as Chair of the Charter Commission.

First, please understand that this map is just a draft and is subject to change after we conduct public hearings (dates, times and locations on our website).

That being said, the proposed line runs up the middle of Chicago, so if you are on the west side of the street, you would be in the 8<sup>th</sup> ward. If you live on the east side of the street you would be in ward 11.

I live in ward 8; however, based on the draft maps, I will be on the ward boundary. I am not sure if that means I have shifted to ward 11. Can you please confirm which ward I will be in based on the proposed redistricting map?

Thank you,
