RE: Re-bid for Disposal of Waste and Construction Waste and Tree Waste
OP 7699

The Department recommends award to the sole bidder, Veit, based on the review of the lowest bidder in 2010 and the 2013 bid. The 2010 contract was a three year contract. Comparison with the 2010 bid and the 2013 bid is fair and reasonable when considering cost for fuel, and other normal operating expenses. This increase in expenses varies from ½ to 5% increase annually with a weighted average of 1.7% average annual increase. Therefore the Engineer recommends acceptance of this sole bid by Veit.
