1. The business shall not store inoperable vehicles or any vehicles parts outside of the enclosed service garage.

3. The business shall maintain records which include all work orders, estimates, invoices and names of all customers for whom motor vehicle repairs have been performed.
4. Refuse shall be stored in a regularly serviced, closed container (dumpster) that shall be maintained screened from view as is required by Minneapolis Codes. At no time shall this refuse container be overfilled so that the cover cannot be completely closed at all times.
