 Action requires an appropriation increase to the Operating Budget  
 Action provides increased revenue for appropriation increase  
 Action requires use of contingency or reserves  
 Other financial impact (Explain):  
 Request provided to the Budget Office when provided to the Committee Coordinator

**Background/Supporting Information Attached:**

On August 3, 2007, the City Council adopted to increase the Gift Acceptance value from \$1,000 to \$15,000 or less.

On August 19, 2005, the City Council adopted Resolution 2005R-485, to allow individual City departments to receive gifts with a value of \$1,000 or less with written notice to the Finance Officer or his/her designee. The action also required the Finance Department

to submit a quarterly gift report to the City Council's Ways and Means Committee for approval containing the following information on each donation:

1. Name of recipient department
2. Name of entity making gift
3. Description of gift (including value of gift, date received and special designations on gift; if any)
4. Funding strings for expense and revenue appropriation increases

The department may not use the gift until it has been approved by a two-thirds vote of the City Council. For any gifts with a value exceeding \$15,000, the recipient department shall submit a request to the Ways & Means/Budget Committee directly. This report serves as the vehicle for Council approval. The attached spreadsheet delineates the gifts received in the required format as of the date of this action.
