Background/Supporting Information:

On February 15, 2008, the City Council approved the Asphalt Pavement Resurfacing Program. The purpose of this program is to extend the life of some city streets which are not scheduled for any preventative maintenance, renovation or reconstruction in the foreseeable future. This resurfacing program is targeting neighborhoods and MSA streets that are at a point in their life cycle where a new surface will extend the street's life and improve ride quality and neighborhood livability, and help slow the overall deterioration of our City street system.

The purpose of this letter is to designate the location, streets and improvements, and establish the special assessment improvement proceedings for street resurfacing.

The location of the Stevens Av S street resurfacing project is from 26th St E to 28th St E. Stevens Av S at his location is MSA Route No 288 and was last paved in 1967.

As provided in Chapter 10, Section 8 of the City Charter, submitted herewith is a list of parcels with owner's names, as nearly as can be readily ascertained, which would be benefited by and assessed for the Stevens Av S (26th St E to 28th St E) Street Resurfacing Project.

Also submitted is a cost estimate of \$116,178 for this project street.

The street resurfacing special assessments would be determined by applying the 2013 Uniform Assessment Rates to the land area of benefited parcels located within the street influence zone along the improved street. The approved 2013 resurfacing assessment rates are as follows:

\$0.60 /sq. ft. – Non-Residential

\$0.20/sq ft – Residential

2013 STREET RESURFACING PROGRAM

**STEVENS AV S STREET RESURFACING PROJECT
SPECIAL IMPROVEMENT OF EXISTING STREET NO 5255**

Designating the improvement of certain existing streets in the 2013 Street Resurfacing Program at the locations described hereinafter.

Resolved by the City Council of the City of Minneapolis:

That the following existing streets within the City of Minneapolis are hereby designated to be improved, pursuant to the provisions of Chapter 10, Section 8 of the Minneapolis City Charter, by asphalt mill and overlay and including other street resurfacing related improvements as needed.

Stevens Av S from 26th St E to 28th St E

T&PW – Your committee, having received a cost estimate of \$116,178 for street resurfacing improvements and a list of benefited properties for certain locations in the Stevens Av S Street Resurfacing Project, Special Improvement of Existing Street No. 5255, as designated by Resolution 2013R-_____ passed April 26, 2013, now recommends that the City Engineer be directed to prepare a proposed Street Resurfacing Special Improvement Assessment against the list of benefited properties by applying the 2013 Uniform Assessment Rates as per Resolution 2012R-605, passed November 16, 2012.

Your Committee further recommends that the City Clerk be directed to give notice of a public hearing to be held by the Transportation and Public Works Committee on June 4, 2013 in accordance with Chapter 10, Section 8 of the Minneapolis City Charter and Section 24.180 of the Minneapolis Code of Ordinances, to consider approving the resurfacing of the above designated street locations, and to consider the amount proposed to be assessed to each benefited property and the amount to be funded by the City.
