 Request provided to department's finance contact when provided to the Committee Coordinator.

**Community Impact:** Other

**Background/Supporting Information:**

This matter and subsequent claim arise out of a work related injuries suffered by Firefighter Allison (Halstead) Maca on July 10<sup>th</sup> and November 7<sup>th</sup> of 2010, during her employment with the Minneapolis Fire Department. As a consequence of her work-related injuries at the City of Minneapolis, Ms. Maca is entitled to a number of benefits through workers' compensation.

The Workers' Compensation Department of Risk Management has been granted authority up to \$75,000.00 for settlement purposes. Any settlement that exceeds this authority must be approved by the council. Following extensive negotiations with his attorney, we have reached a tentative settlement of Ms. Maca's workers' compensation claim against the City in the amount of \$130,000.00. This proposed settlement has been discussed with the Fire Department and they are in agreement with the terms. We believe that the settlement is in the best interests of the City and recommend approval by this Committee.
