RE: OP 7779

The City recently bid the publication of official proceedings and other legal notices in a daily newspaper. The previous vendor during the last contract period, 2008-2012, as well as several prior contract periods, was *Finance and Commerce*. *Finance and Commerce* was the sole bidder in the current bid process.

After reviewing the bid, the City Clerk's Office recommends that the publication bid for the period 2013-2016, with the potential to extend through 2018, be awarded to *Finance and Commerce*. *Finance and Commerce* is prepared to continue providing quality publication services for the City that meet the specifications that have been laid out for this service, and has offered a bid that holds rates constant at the same level paid in the last contract period.

Casey Joe Carl
