Community Impact

Background/Supporting Information

Plaintiff Kpakpo Moevi alleges that he was injured in February 2009, when the vehicle in which he was riding was rear-ended by a Minneapolis police squad car. The parties have negotiated a proposed settlement in the amount of \$18,000, including all claims for damages, attorney's fees and costs. MPD administration has approved this settlement. The parties involved believe that the proposed settlement is in the best interests of the City and recommend approval by this Committee and the City Council.
