Background/Supporting Information:

This No-Fault claim by Tyler Quigley arises out of a motor vehicle accident that occurred on January 15, 2013 at the intersection of Hennepin Avenue and 10th Street. On that date, a City employee was driving a City of Minneapolis public works sewer truck when it collided with Mr. Quigley, who was riding his bicycle. The only motor vehicle involved in the accident was the City of Minneapolis sewer truck, and Mr. Quigley has therefore sought no-fault benefits from the City. Mr. Quigley is represented by counsel and has completed a No-Fault Application for Benefits. He claims to have sustained injuries. He has sought care, treatment has been rendered for his alleged injuries, and bills have been incurred.

Pursuant to M.C.O. § 16.1120, the City Attorney or the City Attorney's designee shall appear before the Ways and Means/Budget Committee to request initial authorization to submit all current and ongoing bills relating to a particular no-fault claimant directly to the City Finance Officer for payment. Upon such authorization being granted by the City Council, such bills shall be promptly paid by the City Finance Officer upon receipt of the bills, bearing the signature of the City Attorney or the City Attorney's designee. The City Attorney's Office recommends the approval of this request.
