## **Supporting Information**

The Police Department requests approval to accept the proposal from Hennepin Technical College (HTC) that was submitted in response to the MPD's recent Request for Proposals and to enter into a contract for services. HTC provides education to students pursuing careers in law enforcement and the MPD will contract for specific classes required to educate and train candidates recruited, screened and selected by the MPD to receive the training necessary to become eligible for MN POST Board Accreditation and sworn MPD Police Officers. HTC will coordinate training with classes conducted by MPD personnel over the course of the spring training. The maximum cost anticipated for 33 MPD and 2 Park PD Cadets is estimated to be \$90,000. This Spring Cadet/Recruit Training is budgeted in the MPD's 2014 General Fund budget.
