## **Background/Supporting Information**

On October 19, 2012, the City awarded the bid for hauling and disposal of agricultural liming material to Huls Bros. Trucking, Inc. for a maximum annual expenditure of \$300,000.00. In 2013, only \$47,000 worth of material was hauled from the lagoons. Staff has allocated \$500,000 for hauling in the 2014 budget to compensate for the 2013 shortfall.

Public Works, Water Treatment and Distribution Services recommends increasing the limit to \$500,000 for 2014. This work is funded under operating budget of Water Treatment and Distribution Services.
