Background Information:

The Minneapolis Advisory Committee on People with Disabilities (MACOPD) advises and otherwise aids the Mayor, City Council and city departments on matters pertaining to public

policy and the administration of programs, services and facilities for persons with a disability in Minneapolis. The committee is composed of 15 members that are appointed to two-year terms. Eight (8) terms expire on December 31 of the odd numbered years and Seven (7) terms expire on even numbered years. The re-appointments were approved by the Mayor and Council President before submission for final approval from the full Council.

Each candidate being recommended for appointment has attended a meeting of the MACOPD as a guest to observe the way the committee functions and to get an idea about what issues the committee is working on. At the August 21, 2013 meeting of the MACOPD, the committee passed a motion with unanimous support for each of the 5 candidates to be appointed to serve on the committee by the Mayor and Council President.

Four seats have been unfilled since the beginning of the year (2013) and one seat is vacant due to a resignation.
