Broder's Terzo Vino Bar, Paperback Exchange, and Sparrow Café

New storefront windows make a big impact on the street environment. As Broder's Terzo Bar, a new tenant in 2013, decided to update the storefront in its new space, the building owner complemented this action by upgrading the storefronts of the existing tenants to create a unified appearance. The entire project cost was \$55,000. The Great Streets Façade Improvement Matching Grant Program contributed \$10,000 and the Lynnhurst Neighborhood Association contributed \$2,000. Every \$1 in public funds leveraged \$4.30 in private matching funds.
