**RE: Withdrawal of Application for Modification to Conditional Use Permit No. 61061
Amendment No. BZZ-4401**

Dear Ms. Holien:

Covanta Hennepin Energy Resource Company, L.P. (HERC) is withdrawing the application for a proposed modification to Conditional Use Permit No. 61601, Condition #1 originally submitted on May 5, 2009. The modification had requested a change in the permit to remove an administrative condition limiting fuel usage to 1,000 tons per day and allow fuel usage at the facility design capacity of 1,212 tons per day.

If you have any questions on this matter or require additional information, please feel free to contact me at 612-332-9422.

Sincerely,

COVANTA HENNEPIN ENERGY RESOURCE COMPANY
