Supporting Information

The Minnesota Department of Employment and Economic Development (DEED) has issued this local planning guidance for the local workforce investment system to local Workforce Investment Boards for the year running July 1, 2014 to June 30, 2015. This plan was developed under the guidance and consultation of the Minneapolis Workforce Council, the Workforce Investment Board for Minneapolis, and was made available for public comment between May 27, 2014 and June 26, 2014. The planning guidance calls for local Workforce Investment Boards (WIBs) to submit unified plans describing how their local workforce investment systems will respond to the needs of regional labor markets. DEED's mission is to enhance the economic success of individuals, businesses and communities by improving prosperity and independence. The questions and forms contained within the plan are intended to help WIBs to examine how they fit into this mission and to evaluate the effectiveness and efficiency of their activities and program delivery. All local WIBs in Minnesota must submit a local unified plan that responds to this planning guidance. The plan and its supporting materials can be viewed on the Community Planning and Economic Development website at http://www.minneapolismn.gov/cped/cped_metp
