

AN ORDINANCE
of the
CITY OF
MINNEAPOLIS

By Reich

Amending Title 11, Chapter 225 of the Minneapolis Code of Ordinances relating to Health and Sanitation: Garbage and Refuse.

The City Council of The City of Minneapolis do ordain as follows:

Section 1. That Section 225.740 of the above entitled ordinance be amended to read as follows:

225.740. Enforcement. The director of ~~inspections~~ Regulatory Services and the director's authorized representatives and the Director of the Solid Waste and Recycling Division of the Department of Public Works and the director's authorized representatives shall enforce the provisions of this article. Such enforcement may include the abatement of overflowing dumpsters upon failure of the owner to respond to written orders with the resultant cost assessed against the property. This shall not be construed so as to prohibit the commissioner of health, the chief of police, or the chief of the fire prevention bureau, or their authorized representatives, from the enforcement thereof. The Director of the Solid Waste and Recycling Division of the Department of Public Works or the director's authorized representatives may use the procedures outlined in Section 225.690 of this Code to clean up and charge for the cleanup or other abatement of overflowing dumpsters, mobile refuse containers, or any other solid waste or recycling collection device or solid waste collection point throughout the City, whether or not the City provides Solid Waste and Recycling services for the property involved.

Section 2. That Chapter 225, Article VI of the above entitled ordinance be amended by adding a section to read as follows:

225.750. Solid waste collection point (SWCP). (a) Every lot containing a building regularly used for human habitation shall provide a solid waste collection point (SWCP), to facilitate the temporary storage and collection of solid waste, recyclable materials and yard waste if there is a yard. Any solid waste, recyclables, yard waste and other materials being put out for collection shall be stored in appropriate containers as required by this Code and placed in the location established as the SWCP.

(b) The SWCP shall be established at or near the alley line, or at or near the rear entrance or rear wall of the building for commercial, industrial and institutional properties, or as otherwise determined by the Director of Public Works.

(c) Persons who have a disability which would otherwise prevent compliance with this section may apply to the Director of Public Works for location of a SWCP in a location that would otherwise not be in compliance with this Code.
