The licensing billing period is between **September 1st through August 31st**. This fee shall be in addition to any other appropriate enforcement action or fees due. This fee shall apply 60 days after owner closes the sale of the rental property.

(a) If the director of inspections determines that a building or dwelling unit fails to meet the licensing standards set forth in section 244.1910, or section 244.1920, he or she shall mail a notice to the owner and the person designated by the owner as the person responsible for the maintenance and management of the building or dwelling unit. The notice shall specify the reasons why the building or unit fails to meet the licensing standards in section 244.1910 or section 244.1920 and shall include a copy of the inspection report if applicable. However, if a building or dwelling unit fails to meet licensing standards 244.1910(2), (3), (4), (13)(a), (18) or (21), for a second time under the same owner/licensee, a notice of director's determination of noncompliance shall not be required to be sent as the building or dwelling unit may be subject to an action for denial; non-renewal; revocation or suspension pursuant to section 244.1940.

(b) If the rental dwelling fails to meet one (1) or more of the standards set forth in section 244.1910, the notice shall indicate that the license holder or applicant has ten (10) days to correct the defects, after which the city council will take action to deny, refuse to renew, revoke, or suspend the license or provisional license.

(c) If the rental dwelling fails to meet the standards set forth in section 244.1920, the notice shall indicate that the license holder or applicant has sixty (60) days to correct the defects causing the building to be substandard, after which the city council will take action to deny, refuse to renew, revoke, or suspend the license or provisional license. If the defects create an imminent hazard to health or safety, the director may proceed immediately for denial, nonrenewal, revocation, or suspension under section 244.1940, or may shorten the deadline for compliance to less than sixty (60) days.

(d) Whenever a notice of noncompliance is issued under this section, the director of inspections shall also cause a notice to tenants to be prominently posted on the building. The notice shall indicate that a license proceeding has been commenced against the owner because the building has been found to be in violation of the housing maintenance code; that after a stated period of time allowed to bring the building into compliance, the city council may proceed to deny, revoke, or suspend the rental dwelling license for the building; that if the city council denies, revokes, or suspends the license, tenants may be required to vacate the building; that further information can be obtained from the City of Minneapolis Housing Services Office.

(e) The director of inspections shall send copies of the notice of noncompliance and the notice to tenants to the housing services office. (90-Or-235, § 6, 9-14-90; 95-Or-097, § 3, 6-30-95; 99-Or-163, § 6, 12-17-99; 2011-Or-044, § 2, 4-29-11; 2011-Or-108, § 5, 11-18-11)

244.1940. Denial; non-renewal; revocation; suspension. (a) If after any period for compliance under section 244.1930 has expired, the director determines that the dwelling fails to comply with any of the licensing standards in sections 244.1910 or 244.1920, or the director has initiated an action to deny, revoke, suspend, or not renew a license pursuant to section 244.2020, or if the director determines that a building or dwelling unit fails to meet licensing standards 244.1910(2), (3), (4), (13)(a), (18) or (21), for a second time, under the same owner/licensee, the director shall mail the owner and the person designated by the owner as the person responsible for the maintenance and management of the building or dwelling unit, a notice of denial, non-renewal, revocation, or suspension of the license or provisional license. The notice shall state:

- (1) That the director has determined that the building fails to comply with the licensing standards for rental dwellings in section 244.1910 and section 244.1920, that the licensee has failed to take appropriate action following conduct by tenants and/or their guests on the licensed premises under section 244.2020, or that the licensee has failed to submit a written management plan that satisfies the requirements set forth in 244.2020(d).
- (2) The specific reasons why the building fails to meet licensing standards, including copies of applicable inspection reports, or notices sent to licensee of conduct on licensed premises.
- (3) That the director has referred the matter to the city council with a recommendation to deny, not renew, revoke, or suspend the license or provisional license.

- (5) That after denial, nonrenewal, revocation or suspension, the dwelling or the affected dwelling units therein must be vacated, and shall not be reoccupied until all violations are corrected and a license is granted by the city council, (except where an extension of time has been granted by the director of inspections due to weather). Further, no license will be granted by the city council until an approved plan to control conduct on premises has been presented and accepted by the city council if the denial, non-renewal, revocation or suspension was under section 244.2020.
- (6) The notice shall describe how an appeal may be filed under section 244.1960.
- (7) The director shall cause a notice to tenants to be mailed or delivered to each licensed dwelling unit and prominently posted on the building. The notice shall indicate that the rental dwelling license for the building has been denied, revoked, or suspended, whichever is applicable; that the action will become final on a specific date unless the building owner appeals and requests a hearing; that tenants may be required to vacate the building when the action becomes final; that further information can be obtained from the City of Minneapolis Housing Services Office.

(b) Lapsed licenses. If a license lapses, or is surrendered, withdrawn, terminated, or otherwise becomes ineffective, the director may proceed, pursuant to subdivision (a), with an action to deny, non-renew, revoke or suspend if the action was commenced prior any lapse, surrender, withdraw, termination or other loss of license.

(c) Any action taken under this section shall be instituted against the rental dwelling license held by the owner(s), licensee and the person designated by the owner as the person responsible for the maintenance and management of the licensed property.
