Background/Supporting Information Attached

The Minneapolis Code of Ordinances, Title 10 Food Code, Chapter 192 - Bread; Chapter 194 - Eggs; and Chapter 196 - Water for Drinking and Domestic Purposes contain language that is redundant as it already exists in Minnesota Rules governing eggs, bread and water. The public hearing is set to authorize striking (deleting) the language about bread, eggs, and water for drinking and domestic purposes from the City Food Code.
