**RE: Bid Acceptance for Hiawatha LRT Trail Lighting Project,
OP 7973 (SP. 141-090-037)**

Mr. Schlueter:

I am recommending Killmer Electric Co., Inc. as the lowest responsive bidder with a grand total bid in the amount of \$517,812 for the above referenced project. Review of the bid found the unit price summation was found to be consistent with the grand total bid amount.

The bid is 33 percent below the engineer's estimate developed for the project and is consistent with comparable bids submitted this construction cycle. As it is below the engineer's estimate, the bid is within the construction costs budgeted for the project. The bid submitted also met the Disadvantaged Business Enterprise (DBE) goal of 21.3 percent as set by MnDOT.

Based on my review of the bid, it is my recommendation that the City accept this bid for the Hiawatha LRT Trail Lighting Project.

Respectfully submitted,
