Supporting Information – Minneapolis Animal Care & Control wrote and received a grant in the amount of \$5,500 to The American Society for the Prevention of Cruelty of Animals (ASPCA) to fund three pieces of equipment associated with our new Adoption Initiative.

The first piece of equipment is a hydraulic lift table and scale that lowers to 4 inches off the ground in order to allow XL sized dogs to step onto the table without staff having to physically lift them to the table. This is much safer for both staff and animals. The second piece of equipment is a Woods lamp, and the third is a centrifuge for use in veterinary services during the exam of animals entering the shelter. MACC is grateful to the ASPCA for the generous grant.
