RE: Bid for Disposal of Waste and Construction Debris
OP 8002

The Public Works Department – TMR recommends award to the sole bidder, Veit, based on the review of the contracts in 2008, 2011, 2012 and 2014 bids. After comparison of all four bid result, this sole bid for 2014 is fair and reasonable when considering the increased cost for fuel, labor, changes in MPCA requirements and other normal operating expenses. A copy of this spread sheet is attached with this letter. Therefore the Engineer recommends acceptance of this sole bid by Veit. Please proceed with the acceptance of this bid and issuing a contract.
