

Request for City Council Committee Action From the Department of Finance and Property Services

Date: October 14th, 2014
To: Honorable John Quincy, Chair Ways & Means Committee
Subject: **Contract Amendment No. 1 – JPMI Construction Company.**

Recommendation:

That the proper City officers be authorized to execute Amendment No. 1 to Contract No.C-38168, with JPMI CONSTRUCTION Company. The total amount of Amendment No. 1 is an increase in cost of \$48,192.00. Therefore, the current contract amount of \$740,800.00 would be increased for a revised contract amount of \$788,992.00. The construction contingency, contained within the original Project Budget (Fund 04100 Dept: 9010923 Project: CPSD01) is adequate for Amendment No. 1; therefore no additional appropriation is required.

Previous Directives:

- March 7th, 2014: Resolution 2014R-093, City Council and Mayor awarded a contract to JPMI Construction Company for the amount of \$740,800.00 for the Fire Station No. 5 and No. 7 Improvement Project, located at 2700 Bloomington Avenue and 2000 East Franklin, respectively.

Prepared by: Chris Backes, Project Manager 673-3774

Approved by:

Kevin Carpenter, Chief Financial Officer, Finance Dept.

Spencer Cronk, City Coordinator

Presenters: Chris Backes, Construction Coordinator - Property Services

Background/Supporting Information

Property Services has contracted with JPMI Construction Company for the Fire Station No. 5 and No. 7 Improvement Project, located at 2700 Bloomington Avenue and 2000 East Franklin, respectively. Construction activities began in May of 2014 and project closeout is expected in November 2014.

Amendment #1

Amendment #1 consists of additional flooring and concrete work along with minor changes required to resolve unforeseen conditions related to correcting existing building conditions, which would typically occur in projects of this type but are not within the original scope of work in the contract.

The construction contingency for the project will be sufficient to cover the cost of the changes; no additional appropriation is required.
