Supporting Information

Comcast Cable provides organizations and agencies the opportunity to air pro bono public service announcements on cable television. The broadcast time is made available when Comcast has unsold advertising timeslots.

For Oct. 1 through Dec. 31 2014, the City of Minneapolis has utilized this free airtime to inform residents about the November election, fall street sweeping and Snow Emergencies.

The donated airtime varies month-to-month because the unsold slots vary, so the total cannot be tallied until after the public service announcements have aired.
