

**Request for Committee Action
from the Office of the City Clerk**

Date: March 18, 2015
To: The Hon. Elizabeth Glidden, Chair, Committee of the Whole
Subject: 2015 Committee Work Plan
Recommendation: Receive and File the committee's 2015 work plan.

Prepared by: Peter J. Ebnet, Management Analyst, City Clerk's Office

Supporting Information: Committee work plans are a tool to help highlight, monitor, and execute the policy priorities of Council Committees. These work plans are composed of the high-level, major policy goals of the Committee. The work plans help focus the work of the committee and help keep residents, governmental partners, and City staff informed of the priorities of the Council's committees. Council Vice-President Glidden initiated the work plan process and helped guide its development starting in late 2013 based on a similar system developed by the City of Seattle.
