On September 20, 2013 City Council passed a resolution establishing a City of Minneapolis Youth Cabinet to coordinate the City's role in implementing the Youth Coordinating Board's Call to Action and Youth Compact and to develop a framework for incorporating the needs of youth and families as a focal point of the work of the City.

Since then, a group of representatives from the following areas has met monthly to move forward with this work: City Attorney, City Coordinator, Civil Rights, Community Planning and Economic Development, Health, Neighborhood and Community Relations, Police, Public Works, Regulatory Services, Mayor, City Council, and the Youth Coordinating Board.
