**Background/Supporting Information:**

This claim arises out of a work related injury suffered by Susan Burchill on June 21, 2006 while employed with the CPED Department. As a consequence of her injury at the City of Minneapolis and corresponding permanent physical restrictions, Ms. Burchill is entitled to a number of benefits through workers' compensation.

Any settlement in excess of \$75,000 must be approved by the Council. Following extensive negotiations and a mediation with her attorney, we have reached a tentative settlement of Ms. Burchill's workers' compensation claim on a full, final and complete basis in the amount of \$85,000.00. This proposed settlement has been discussed with the CPED Department and they are in agreement with the terms. We believe that the settlement is in the best interests of the City and recommend approval by this Committee.
