**Supporting Information**

The Plaintiff alleges that his vehicle was improperly impounded and, as a result, lost possession of his vehicle and certain items of personal property. The parties have negotiated a proposed settlement that includes monetary consideration in the amount of \$2,870.00, including all claims for damages, attorneys' fees and costs. The City Attorney's Office believes that the proposed settlement is in the best interests of the City and recommends approval by this Committee and the City Council.
