Background/Analysis:

The purpose of this letter is to request the setting of the Assessment Public Hearing for annual sidewalk repair and construction involving properties located throughout the City of Minneapolis.

All property owners to be assessed received an invoice for the completed work. If the owner did not pay the bill, an Administrative Hearing Notice Letter was sent. When an owner replied to attend the Administrative Hearing, they were given a date, time and location for the hearing. If a property owner disagrees with the hearing determination, they will receive notice of public hearing including the proposed assessment amount. A list of properties and the charges to be assessed will be provided at the time of public hearing.
