Human resources 2014-2017 department business plan presentation

Description:

Receiving and filing the 2014-2017 Human Resources department business plan.

Ward/Neighborhood/Address:

Not Applicable

Background/Analysis:

Business planning is a process that provides strategic direction to City departments by aligning department services with the City's strategic goals. Aligning priorities with services helps departments manage their resources effectively and measures their progress more accurately. Departments create a business plan with a four-year planning horizon.

Financial Review:

No financial impact.
