**Background/Analysis:**

In consultation with IGR Staff, City staff from departments throughout the enterprise have brought forward new legislative policies for consideration in preparation for the Minnesota Legislature's 2016 session. The presentations coming before the IGR Committee are brand new items for the City Council to consider adding to the 2016 Legislative Agenda or 2016 Policy Positions. Some of the proposals brought forth by City staff were recommended to be incorporated into the existing legislative program documents as minor modifications and will not be presented today.
