Inspector Julie Casey:

The Armatage Neighborhood Association (ANA) supports the On Sale Wine and Beer Class E license application for Kwan's Chinese Restaurant at 5412 Penn Avenue South.

Although under new ownership, Kwan's has been in institution of Armatage for over 40 years. Within recent years, two additional restaurants have opened at that corner, and both sell beer and wine. This license would allow Kwan's to better compete and complement the dining options at 54th and Penn. We are also excited to see their interest in possibly adding outdoor seating; something we believe the neighborhood would greatly enjoy.

Unfortunately no ANA board members are able to attend the Public Hearing for this license on October 21, but the board voted unanimously to support this application.

Please let me know if you have any questions for the ANA.

Sincerely,

Denis Houle
President

Subject: Kwan's On Sale License

I am in favor of granting Kwan's an on sale license. It's a neighborhood restaurant that has survived the test of time and I believe an on sale license will help them compete and stay in business in the future.
