**Subject:**

Contract amendment with Peterson Companies for contract close-out

**Description:**

Authorizing a contract increase for Contract No. C-39574 with Peterson Companies (OP No. 8088) in the amount of \$4050.33 for a new contract total of \$151,050.33 to process all invoices through the end of the current contract.

Official Publication No. 8088

---

**Ward/Neighborhood/Address:**

Not Applicable

**Background/Analysis:**

OP 8088 is for an upgrade to the MCC irrigation system. Due to the nature of the work being performed there were unknown conditions underground discovered during the project. This project is part of the overall MCC sustainability initiative and will result in water savings by bringing much of our current system up to date. The addition of rain sensors and soil moisture settings will reduce water use throughout the irrigation season.

**Financial Review:**

**No additional appropriation required, amount included in current budget.**
